

TECO Research Study

- We are currently conducting research into the certifications and employment trajectory of technological education teachers in Ontario
- It is being done via online survey, and takes about 10-15 minutes to complete
- Upon completion, participants will be entered into a draw for one of 2 \$300 gift cards from Canadian Tire
- We are also inviting those who are interested to submit their name to participate in a phone interview at a later date
- Please contact Catharine (Catharine@techedconsortium.ca) with any questions
- Survey link:
