

# **STUDENT CONDUCT AGREEMENT**

I,

agree to:

## **Ensure a safe workplace by:**

- following all general and specific safety rules;
- informing teacher of all injuries, damaged tools and potentially dangerous situations;
- making sure I know all fire exits and power shutdown switches and how to use them during emergency situations;
- not compromising the safety of others through horseplay or any form of distraction while student is working on equipment;
- only using equipment when properly trained and certified, always with any necessary personal protective equipment, and when I fully understand all related safety issues;
- asking for assistance from the teacher when I am unsure of the proper procedures or health and safety issues.

## **Consequences for Improper Action**

I understand that failure to comply with this agreement may result in injury to myself or others, and that failing to comply with safety procedures may result in my temporary or permanent removal from the class or shop depending on the severity of the infraction and school/board policies.

**I have read the above and understand the expectations and consequences.**
