

# Take Tech Social Media for Twitter, Facebook, Instagram

## Ways to Use these Take Tech Resources

- There is a jpeg you can use for each of the 10 BBTs to promote Take Tech
- Download the jpeg to your device to use, they are already sized for social media
- There is a pdf of text for you to copy for each BBT
- Copy and paste the text you would like to use for your post
- You can use all or some of the provided text
- Some social media have letter limits so you may not be able to use all of it (for example twitter has a 280 character limit, the most common length of a tweet is 33 characters)
- You can use the provided hashtags and/or add your own!
