TOOL, DIE & MOLD

CAREER PATHWAYS

■ MANUFACTURING AND PROCESSING

TECHNICAL SKILLS

Computer Aided Design CAD Software, Data Entry Software, Micrometers, Microsoft Outlook, CNC Machining, Enterprise Resource Planning ERP Software, Calipers, Microsoft Access, Lathe Machines, Quality Control Analysis, Operation and Control, Supervisory Control and Data Acquisition SCADA Software, Good Manufacturing Practices (GMP), Budgeting, Scheduling, Production Management, Business Intelligence and Data Analysis Software, Project Management Software, Industrial Control Software, 3D Printing and Advanced Manufacturing.

POTENTIAL OCCUPATIONS

Machining Tool Operators, Industrial Painters, Coaters and Metal Finishing Process Operators, Other Labourers in Processing, Manufacturing and Utilities, Manufacturing Managers, Labourers in Mineral and Metal Processing, Machine Operators, Mineral and Metal Processing, Inspectors and Testers, Mineral and Metal Processing and Robotics Technicians.

■ TDM SKILLED TRADES

TECHNICAL SKILLS

Computer Aided Design CAD Software, Generators, Micrometers, Microsoft Outlook, CNC Machining, Milling Machines, Calipers, Drill Presses, Lathe Machines, Quality Control Analysis, Operation and Control, Troubleshooting, Repairing, Electromechanical Devices and Advanced Materials.

POTENTIAL OCCUPATIONS

Foundry Workers, Welders and Related Machine Operators, Millwrights and Industrial Mechanics, Machinists, Contractors and Supervisors, Machining, Metal Forming, Shaping and Erecting Trades and Related Occupations, Machinists and Machining and Tooling Inspectors, Tool and Die, Industrial Electricians, Mold Makers and PLC Programmer.

■ TDM ENGINEERING AND TECHNICAL

TECHNICAL SKILLS

Computer Aided Design CAD Software, Enterprise Resource Planning ERP Software, HVAC, Micrometers, Calipers, CNC Machining, Milling Machines, Troubleshooting, Quality Control Analysis, Microsoft Project, Repairing, Good Manufacturing Practices (GMP), Budgeting, Scheduling, Production Management, Business Intelligence and Data Analysis Software, Project Management Software, Industrial Control Software, Material Science and Decarbonization, Hybridization, and Electrification.

POTENTIAL OCCUPATIONS

Mechanical Engineers, Industrial and Manufacturing Engineers, Senior Managers – Construction, Transportation, Production and Utilities, Mechanical Engineering Technologists and Technicians, Industrial Engineering and Manufacturing Technologists and Technicians, Electrical and Electronics Engineering Technologists and Technicians and Industrial Instrument Technicians and Mechanics.
